

# Mayor's December Report

## Dear Residents:

I would like to encourage all of our residents to visit the newly updated City of Eastlake website at [www.eastlakeohio.com](http://www.eastlakeohio.com). On this website you will find very useful and current information on what is happening in your city. We have listed all the various fundraisers for community organizations, the leaf pickup schedule, and information on NOPEC and Dominion East Ohio utility programs. On this website you can also send emails and communicate with all city departments including Police, Fire, Service and the Mayor's office. So if you have a comment or suggestion or need city services this is a way of contacting us directly through email. This website is updated on a daily basis, so please take a moment and visit our city website.

For the Christmas Holiday Season we have decorated the City Hall Grounds, Vine Street and Classic Park with Christmas lights and decorations. We want to showcase our retail shopping areas and give shoppers some good holiday spirit. I would like to encourage all of our residents to support your Eastlake businesses on Vine Street, Lakeshore Blvd. and other areas of the City. We have many fine retail stores and restaurants to meet your holiday needs and I know the merchants would appreciate your business.

The City of Eastlake employees are sponsoring a collection of Christmas toys and gifts for families in need and for families of servicemen who will be away from home for Christmas. Unwrapped gifts up to \$50 in value can be donated at the Police Station up to December 18. If you are aware of a family in need of gifts for their children or if you know of a family of a deployed serviceman please contact City Hall at 951-1416 ext 102.

Merry Christmas and Happy New Year from all of the employees of the City of Eastlake, City Council, and Mayor Ted Andrzejewski.
