

March 2011

Dear Residents:

It is again time to start thinking baseball. Once again this year the City of Eastlake will hold a drawing for Captains home games for residents to see a game in the city's logo. We will be giving three different families four tickets to the game. Please remember that food and beverages are not provided, just the great seats. If you would like to enter the drawing please come to the Mayor's office and fill out a raffle ticket. This is for **Eastlake Residents** only and you must bring proof that you are a resident. We will select the winners in the month preceding the games so for April we will be picking winners in mid-March, for May games in mid-April, etc. Once you fill out a raffle ticket you will be in the drawing for the entire year. Also, the Eastlake Residents appreciation day will be Saturday, April 23 for the 1 p.m. game. We will be selling tickets for just \$2 each. There will be a limit of six tickets per family and you must present proof that you are an Eastlake resident. This is a way for both the City of Eastlake and the Lake County Captains ownership to show their appreciation for the support of the team by Eastlake residents.

As the weather gets better you will be seeing our Dura Patch pothole filling machine around the city. This has proven to be a good investment for our city in the fact that it provides a longer lasting patch for the potholes. If you have a large pothole on your street please call the service department at 951-1416, ext. 140 and they will get you on the list

Our tax department is open and available to answer questions from any Eastlake resident on filing their city tax return. The tax department will also fill out your return if you bring in your W-2 statements. Tax forms are available to be downloaded and printed from our website, www.eastlakeohio.com. Please remember that all Eastlake residents are required to file a tax return even if you do not owe any money to the city. Thank you for your cooperation in filing your city tax return.

As a reminder, the Mayor's Corner and Eastlake Magazine shows are on Time Warner Channel 12 and AT&T channel 99 at 10 a.m., noon, 2 p.m. and 6 p.m. We now have opportunities for local businesses to advertise at a very reasonable rate on these channels. All money raised will be used to purchase new equipment to replace our outdated video equipment. Please call the Mayor's office if you are interested.
