Subject: Silt Fence Requirements

Per our City Engineer, the Erosion Control methods must be in place prior to any type of excavations where the area will be disturbed for more than 14 days and must be kept in place until the area is re-stabilized per Section 906.09 (d) and 906.09 (d) (1) of the Codified Ordinances of the City of Eastlake. There will be a \$300.00 deposit per Section 1301.01 (d) (10) (B) of the Codified Ordinances of the City of Eastlake. The inspection cost will be \$50.00 per each inspection per Section 1301.01 (d) (7) of the Codified Ordinances of the City of Eastlake. There will also be a one time clerical fee of \$25.00 deducted from the deposit per Section 1301.01 (d) (12) of the Codified Ordinances of the City of Eastlake.

I want to thank you in advance for your understanding in this matter.

Sincerely,

John M. Stigalt C.B.O.
