

Eastlake Meals on Wheels Drivers Needed

Mentor - Lake County on Aging volunteers provide direct service and outreach to seniors all year round. By giving small but regular gifts of their time, individuals serve as Meals on Wheels drivers, friendly visitors, grocery shoppers, health insurance counselors and kitchen volunteers.

Volunteer Meals on Wheels drivers are currently needed in the Eastlake area. A minimum of nine drivers are currently needed to fill existing openings and to open a new delivery route.

Starting a new delivery route would relieve a waiting list of seniors that are eligible to receive Meals on Wheels. Meals on Wheels drivers commit one to one and a half hours around lunchtime once each week. An optional mileage reimbursement is also available.

For more information about volunteering, please contact Volunteer Services Manager Traci Hissam at 440/205-8111, ext. 228.
