At RSVP/Lake County, more than 800 volunteers serve over 70 non-profits and health care agencies tutoring children, repairing roofs and garages, serving on boards of directors, helping with fundraising and publicity, and driving invalids to medical and other appointments. When needed, mileage and insurance are provided.

The program is funded locally by the Lake County Senior Citizen Services Levy, federally by the Corporation for National and Community Service, and by the Ohio Department of Aging. RSVP has been sponsored since its inception in 1973 by the Willoughby-Eastlake City School District.
